

Implant Retained Removables:

the least-stressful replacement option

Ankur A Gupta DDS

Hosted by

OCT
17
FRI

Courtyard Marriott
Settlers Ridge

Pittsburgh, PA

Course Description:

When faced with either partial or full edentulism, the options that are available to most patients are often limited to either conventional dentures, which are poorly retained, or implant-retained fixed prostheses, which are very expensive, complicated, and stressful for the providing dentist. Implant retained removable dentures are a wonderful “middle-ground” option. The problem is that they require knowledge and comfort with all the tiny parts and pieces needed for successful execution. In this entertaining and highly practical presentation, Dr. Gupta simplifies this process, providing a simple, step-by-step guide from the new patient consult all the way to final seating.

Course Objectives:

By the end of the course, clinicians will be able to:

- Gain a general overview of all long-span replacement options, understanding the benefits and limitations of each.
- Discover the long-term benefits that implant retained removable options uniquely create.
- Attain clear understanding of the details, steps, and supplies needed from start to finish.
- Understanding several internal and external marketing strategies to individuals in your community who are frustrated with their ill-fitting dentures

COURSE SCHEDULE

8:30am - 9:30am Breakfast

9:30am - 1:00pm Lecture

ABOUT THE PRESENTER

Ankur A Gupta
DDS

Ankur A Gupta, DDS, after completing a one-year GPR in Cleveland, started a practice from scratch in 2005. Armed with what he considered adequate dental knowledge, hand skills, and a personable demeanor, he watched as his practice floundered, finances became un-predictable, and his lower back and spirit toward his profession became worrisome. Rather than continue the trend, he made a guinea pig out of his office, family, and self, attempting any and all personal and professional “experiments” in self-improvement.

More than a decade later, he enjoys an excellent practice, a solution oriented dental team; and most importantly, a meaningful and positive identity. He happily shares the failures and successes with dental and community groups throughout the country, always ending his presentations with practical, implementable, step-by-step ways to be better.

Dr. Gupta graduated from the University of Michigan School of Dentistry in 2004. In 2005, after completing a one-year General Practice Residency in Cleveland, Ohio, he and his wife Dr. Nisha Gupta started North Ridgeville Family Dentistry. In addition to founding North Ridgeville Family Dentistry, Dr. Gupta is a member of the American Dental Association, Greater Cleveland Dental Society, Ohio Dental Association, ADA Success Speaker Corp and an active board member and a speaker for Catapult Education’s Speaker Bureau.

MEET THE DOCTOR AT MONTOUR ORAL SURGERY

DR. TUNDER

Dr. George Tunder brings an exceptional background in Oral and Maxillofacial Surgery.

Dr. George Tunder brings an exceptional background in Oral and Maxillofacial Surgery. He graduated from Montour High School and completed his undergraduate degree at Allegheny College in Meadville, PA. Dr. Tunder then attended the University of Pittsburgh Dental School before joining the United States Air Force, where he completed his specialized training in Oral and Maxillofacial Surgery in 2007. During his military career, he served as the Chief of Oral and Maxillofacial Surgery at Barksdale AFB, LA, and as an associate professor at Louisiana State University in Shreveport, LA.

Dr. Tunder became Board Certified by the American Board of Oral and Maxillofacial Surgery in 2009. Since transitioning to private practice in 2012, Dr. Tunder has continually expanded his knowledge and expertise, remaining committed to the highest level of patient care and innovation. He is known for his compassionate approach and dedication to advancing his field.

Outside of the office, Dr. Tunder enjoys spending quality time with his family, traveling, and exploring the great outdoors. He is also an avid sports fan and a devoted Pittsburgh Penguins supporter.
